

## CONECTA FICTION REBOOT – COVID-19 GUIDE

**THE FOLLOWING INFORMATION IS VERY IMPORTANT. PLEASE, READ IT CAREFULLY:**

From the organization of the event, we are very pleased to be able to organize the on-site event of Conecta FICTION Reboot. It will be held from **September 1-3, 2020**, in the **Baluartes, Congress Center and Auditorium of Navarra**, in Pamplona-Iruña (Navarra, Spain).

Our decision follows the authorization of the Spanish Government to organize events of less than 5,000 participants and to open the borders within Europe.

However, we still have a duty to follow the security protocols for sanitary reasons, imposed by both the Spanish Government and the OMS in order to avoid the further spread of the virus and the rise of the epidemic.

We are aware that the sanitary measures could vary regarding the evolution of the pandemic. Since we cannot know for sure how the situation will turn during the dates of the event, we must follow the security protocols as they have been established to this day:

### Protocols for the BALUARTE VENUE

- **ALWAYS RESPECT 2 METERS** of security distance.
- **WEAR A MASK.** We estimate the use of 1 mask for each half of a day, or 2 masks for the entire day. Therefore, we will hand in up to 6 masks for each delegate alongside their accreditation.
- **WASH YOUR HANDS WITH WATER AND SOAP**, always mandatory and as many times as possible. We will also have hydroalcoholic gel distributed in the different areas of the building.
- There could also be, if estimated necessary, a body **TEMPERATURE TEST.** The participants can be denied access if the temperature exceeds the 37°C.
